

Statement of **ALEXANDER D. GLEW**, Candidate for
Member, Los Altos City Council

Occupation: Professional Engineer

Age: 50

Education and Qualification:

For 17 years I have lived in Los Altos, both North and South. My education includes the B.S. and M.S. from UC Berkeley, and the M.S. and Ph.D. from Stanford in engineering, and I am a professional engineer in CA. I run an engineering business that serves mainly serves high technology and some general industry. My goal is to help preserve as much of the nature of our town as possible, while accommodating the changes around us. Government should be enlightened, but pragmatic, and communicate with the community it serves.
